Subject: Business Survey: Part II

Willemstad, November 2025

Dear entrepreneur,

The Central Bureau of Statistics (CBS) is conducting its annual *Business Survey: Part II* among businesses in Curaçao. The survey aims to collect current information on business and economic developments, as well as entrepreneurs' views on the investment climate. Please note that the survey focuses on estimates rather than definitive figures.

The survey is conducted continuously among all businesses with ten or more employees, while a sample is drawn from businesses with three to ten employees.

Given the time-sensitive nature of this data, we kindly request that you complete the questionnaire within one week via the link we are sending you. CBS will automatically receive your responses through a secure data file.

In accordance with the Statistics Law (PB 2011 no. 19), all information provided will be treated as strictly confidential. For more information about our publications and other CBS services, please visit www.cbs.cw.

For more information and/or questions you can contact CBS, at telephone number: 724-1802 or by email conjunctuurenquete@cbs.cw.

We thank you in advance for your cooperation. Your contribution is essential to the success of this survey.

With kind regards,

Drs. Sean de Boer
