

**DENK
MEE!**

The image features the Dutch phrase "DENK MEE!" (Think with me!) in a bold, white, sans-serif font. The text is rendered in a 3D style with thick black outlines and black drop shadows, giving it a sense of depth. The words are stacked vertically, with "DENK" on top and "MEE!" below it. The entire graphic is set against a solid orange background and is enclosed within a white, hand-drawn rectangular border that has rounded corners and a slightly irregular, sketchy appearance.

**DOE
MEE!**
