

Reporting changes

If you receive benefits from Laborijn and something changes in your situation, you must report this to us. These changes may affect your benefits. Has something changed? Please report it as soon as possible. This helps prevent receiving too much or too little benefit.

Report a change before the 29th of the month in which the change occurred, or within 14 days from the day the change took place.

To do so, complete the change form. You can find the form at laborijn.nl/wijzigingen. Here you will also find instructions on how to complete the form and how to send it to us.

Common changes include:

You are getting married, moving in together, or separating

You are moving

Someone is moving in with you or someone is moving out

You are starting work

You are starting a study or education

You receive a new income or the amount of your income changes

You buy or receive a motor vehicle, such as a motorcycle, car, boat or caravan

You gamble or trade in goods or cryptocurrency

You receive assets, for example a gift or an inheritance
