

DE KREEK

An aerial perspective of a proposed residential development. The central focus is a cluster of red-brick houses with dark roofs, arranged in a semi-circular pattern around a small, winding water feature. To the left, a larger, multi-story brick building is situated near a parking area. The surrounding area includes various commercial buildings, parking lots, and roads. The title 'DE KREEK' is prominently displayed in the top left corner, with a blue wave graphic underneath the letters. The bottom of the image features a caption in Dutch.

Vogelvlucht vanuit zuidwesten

DE KREEK

An aerial architectural rendering of a modern urban development. In the foreground, a large, L-shaped apartment building with a red brick facade and white balcony railings sits on a dark, paved pier extending into a canal. A small white boat with two people is on the water. To the left of the building is a red-paved pedestrian path and a road with a blue bus and other cars. In the background, a row of traditional red brick houses with white window frames and green gables lines a street. A large, leafy tree stands to the right of the apartment building. The sky is a clear, pale blue.

Kruising Harnaschdreef en Zuidhoornseweg

DE KREEK

An architectural rendering of a residential street. On the left is a long, two-story brick building with white window frames and a dark roof. A dense green hedge runs along the base of the building. A wide, light-colored gravel path leads into the distance. To the right of the path is a flower bed filled with yellow and purple tulips. Further right is a red brick-paved road. A person is walking on the path, and a person is riding a scooter on the road. Several cars are parked along the road. On the right side of the road is another brick building. A trellis with green leaves arches over the road. The sky is blue with white clouds. A lens flare is visible on the right side of the image.

DE KREEK

An architectural rendering of a modern residential street. The scene is viewed from a low angle on the left side of the road. A dark asphalt road runs into the distance, with a white car driving away. To the right of the road is a wide, green grassy area. A red brick path leads from the grass towards the background. Several young trees are planted along the grassy area. In the background, there are brick houses with gabled roofs and dormer windows. A blue bus is visible on the left side of the road. The sky is bright blue with scattered white clouds. The overall atmosphere is bright and sunny.
