

Waste in short

Valkenswaard

On our way to a zero waste society!

organic waste

vegetable- fruit and garden waste, like: peels of fruit/ potatoes, leaves and branches

House > Green container
Gets picked up at your home.
Apartment > Underground household waste container in your neighbourhood.
Use a citypass to open.

household waste

everything that doesn't get collected separately, like Hoover bags, cigarettes, feces of cats or dogs

House > Grey container
Gets picked up at your home.
Apartment > Underground household waste container in your neighbourhood.
Use a citypass to open.

paper

flyers, newspapers, letters, envelopes, cardboard boxes and packaging

Put it outside your home in cardboard boxes or tied with rope. No collection for paper waste? Use a paper container in your neighborhood.

glass

glass packaging such as wine/beer bottles, jars of vegetables and sauces

Put into a (underground) glass container in your neighbourhood. Please separate the colours green, brown and white.

plastic

plastic packaging like empty bags, bottles, cups and plastic covers

Take it to the (underground) plastic container in your neighbourhood. Don't put other plastics in the bags, like toys or buckets.

textile

clothes (including worn-out clothes), bedding, shoes, accessories, stuffed animals

Take it to the (underground) textile container in your neighbourhood. Make sure the bag is closed off and isn't too big to fit.
